

FOR IMMEDIATE RELEASE

Greetings from Greene Glen Productions--the Tri-state's newest source for original music and audio production.

We'd like to take this opportunity to introduce to you our in-house composer/producer Randy Villars.

Although Greene Glen Productions is a new company, Randy has an extensive and impressive background in the commercial music production world.

Randy Villars is a classically trained pianist, clarinetist, and saxophonist who has released three nationally distributed CDs as a smooth jazz artist. He has performed as a pianist and synth player in Broadway pit orchestras, and has a long list of credits as a commercial music producer/composer and recording session musician.

Among Randy's credits as a composer/producer are radio and television spots for:

- McDonald's Restaurants
- Lazarus Department Stores
- The Cincinnati Bicentennial sponsored by WLWT Channel 5
- Fine Arts Fund--Mozart's Magic Flute spots Tri-County Mall

Randy has composed and produced in-house music scores for industrial clients such as:

- Eastman Kodak
- Proctor And Gamble
- Ethicon Endosurgery
- Belcan Corporation

Randy composed film scores for the Time-Life series "Aviators," which aired on the A&E television network while a member of the writing team of Phil Copeland Music in Louisville, Kentucky.

Randy is a first call session player, composer and producer for long-standing, top production companies and recording studios such as:

- Sound Images
- RTG Music
- Bootzilla Productions (Bootsy Collins)
- Jean Ann Ryan Productions
- Prime-Time Productions
- Downy Productions
- Paramount/King's Island

Randy has performed on many commercial music recording sessions at studios in Dayton, Cincinnati, Louisville, Nashville, and Chicago. These studios include:

- The Chicago Recording Co.
- Streeterville
- 16th Avenue Sound
- Audiocraft Recording Company
- Cerny American Creative
- Musicol Recording Studios
- Counterpart Studios
- WGUC (Corbett) Studios
- Fifth Floor Studio
- Group Effort Sound Studios
- QCA Studio
- Refraze Studios

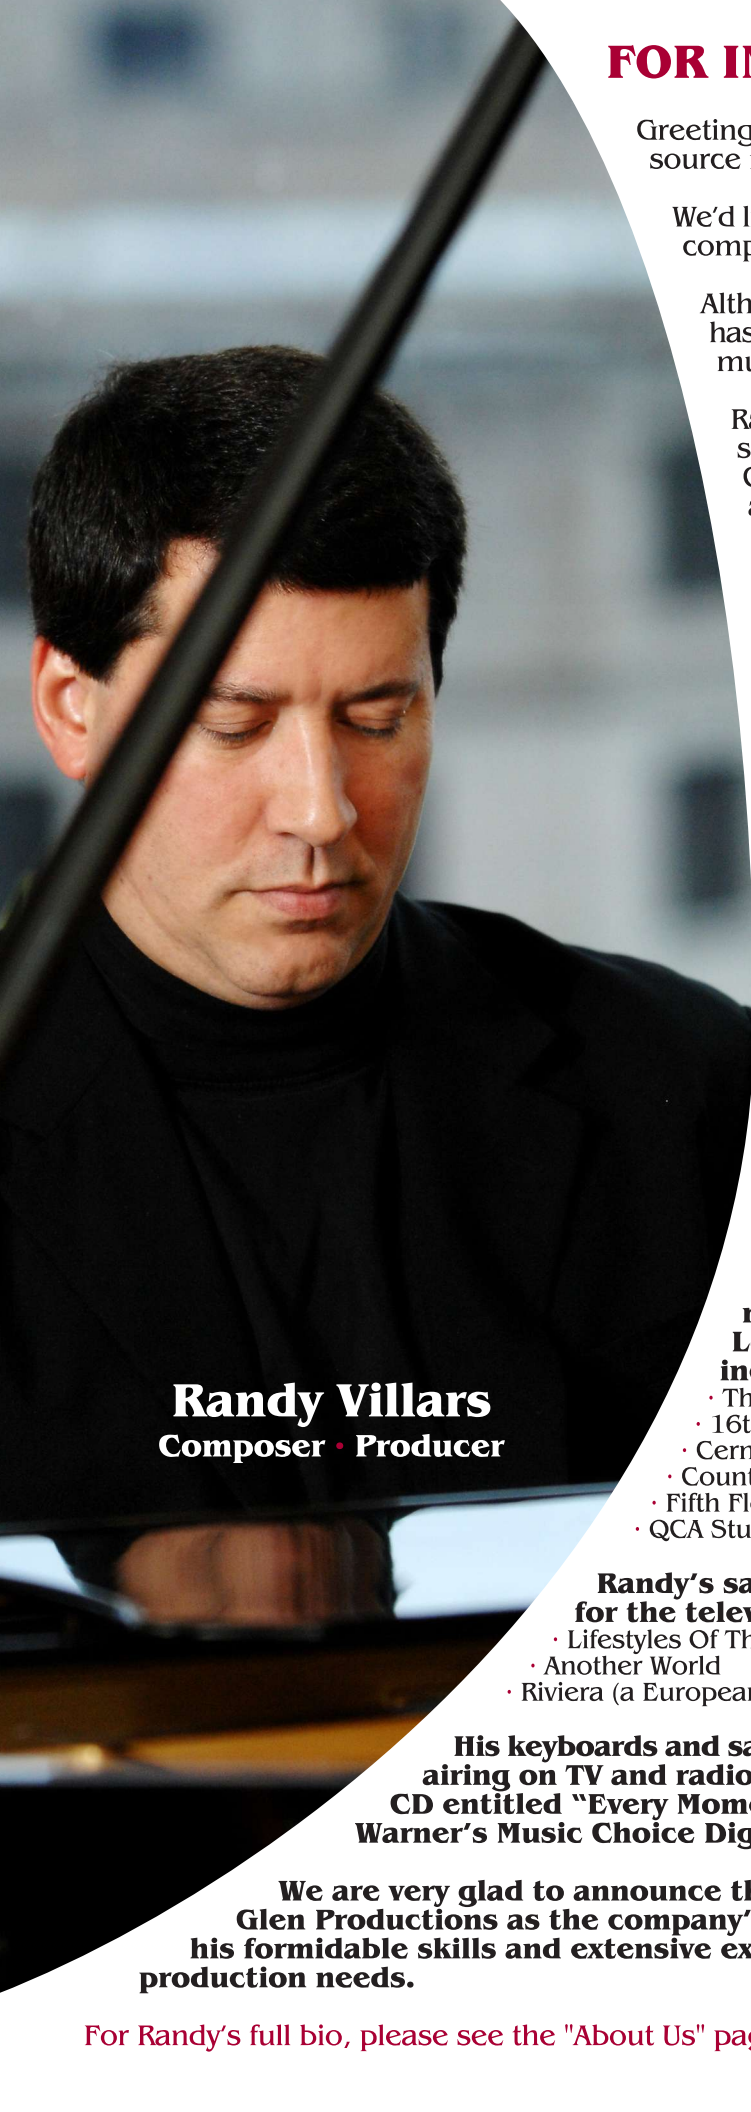

Randy's saxophone work has been recorded on underscores for the television programs:

- Lifestyles Of The Rich And Famous
- Guiding Light
- Another World
- As The World Turns
- Riviera (a European soap opera).

His keyboards and saxophone can be heard on a number of spots currently airing on TV and radio in the Cincinnati-Dayton area. Randy's smooth jazz CD entitled "Every Moment" (Positive Music Records) can be heard on Time-Warner's Music Choice Digital Cable station.

We are very glad to announce that Randy has joined the production team at Greene Glen Productions as the company's senior composer/producer. Randy will now bring his formidable skills and extensive experience to bear on our clients' music and audio production needs.

For Randy's full bio, please see the "About Us" page on our website: www.greeneglenproductions.com.
